

Forecasts

www.windguru.com

An excellent wind forecast site for almost every spot on the planet

http://www.metoffice.gov.uk/weather/uk/se/se_forecast_wind.html

Accurate and easy to use wind predictions from the met office

Live Data

<http://www.rock7.com/wind/>

A wind meter located on the Calshot spit light float. (Likely to over-read slightly due to it's exposed location)

www.bramblemet.co.uk

A wind meter located at Calshot watchtower. (Sheltered from most wind directions so expect this to underfed slightly)

[Hurst wind Speed weatherfile](#)

A wind meter located at Hurst castle. This is useful for getting an idea of the wind speed for kitesurfing at Lepe country park.

www.xcweather.co.uk

A nice way to see what the wind is doing around the whole of the UK

Tide

<http://easytide.ukho.gov.uk/EasyTide/EasyTide/index.aspx>

Great for local tide times. Be sure to buy your own tide table & know how to use it!

Spot Guide

<http://kitesurfinguk.org.uk/uk-kite-beaches/kitesurfing-calshot-spit/>

Kitesurf spot info for UK beaches

Calshot Activity Centre Membership

<http://www3.hants.gov.uk/calshot.htm>

You need to be a member of Calshot activities centre to Kitesurf & Paddleboard. Join online by following the link above.

The centre has great facilities including a climbing wall, Ski Slope and a nice Cafe; The perfect place to enjoy a drink or dinner following a course with us.

British Kitesports Membership

<http://www.britishkitesurfingassociation.co.uk/>

You will also need to hold 3rd party insurance to Kitesurf at Calshot. This can be obtained by joining the BKSA, the British Kitesports Association which is the sports governing body for the uk.
