We will allocate your rooms and bungalows upon arrival. Cabins are fully equipped for self catering and there is also a fantastic bar and restaurant, that's right on the beach, complete with cosy log fire and wifi. The bungalows are based on a twin room shared basis with a maximum number of three people in each bungalow. It is possible to upgrade to your own room or cabin for an additional supplement which is detailed below. The campsite is located just out of the town which is only a short drive away from Kitesurf spots. Transport will be provided to and from the beach each day.

**Please note that we are unable to guarantee twin shared accommodation on a same sex basis.*

Daily Kitesurf tuition

Lessons are scheduled to be run from Monday to Saturday and timings will be flexible to allow for the prevailing conditions and group needs. Lessons will be run by handpicked BKSA and/or IKO qualified instructors on a group basis with a maximum student to Instructor ratio of 4:1, although we always try to keep groups smaller than this.

Trip Photos & Video*

Aside from giving you lots of instruction we'll also do our best to take photos and videos too, all of which will be available to buy on a flash drive at the end of your trip.

**Please make us aware if you do not want your photo taken and to appear in any of our marketing.*

You can buy provisions in the local town and we will provide transportation to chosen restaurants during the week. You will need to bring a packed lunch for each day as the majority of beaches we visit don't have cafes. A Large cool box will be brought down to the beach each day where you can store your food and drinks.

Car Hire

Although we will be transporting you to the various kite spots each day and to and from the airport you may prefer your own car & can take advantage of some great low season rates.

We strongly recommend you take full insurance directly from the car hire company and can recommend an excellent company called, 'Malaga car hire.com' whom we have dealt with in the past.

Packing List

Here are a few suggestions on things to pack to keep you comfortable and to get the most out of your trip:

- Windproof jacket- This can be especially useful to put on over the wetsuit when taking a break on the beach.
- Warm clothing- Although Tarifa has over 300 days of sunshine per year it can get cold, especially at night.
- Beach towel- Towels are provided at your accommodation but we recommend your own for the beach
- Suncream
- Rashvest- A lycra vest keeps things comfortable under your wetsuit and can help keep you warm
- Sunglasses- You may like to consider a floating pair that can be used in the water
- Changing robe- Handy for getting changed in the beach car park

All items are available at our shop base, **24-7 Boardsports** at a special discounted trip price for those attending.
