We recommend preparing a packed lunch to be taken down to the beach each day, therefore maximizing your time on the water. A Large cool box will be brought to the beach each day where you can store your food and drinks. There is a Tesco and a co-op in the nearby village of Braunton if you want to pick up some provisions on your journey down.

Equipment rental (All weekend)* + £99

Those that do not have their own equipment have the option of renting from us. Your rental will include use of all of our Kitesurf school equipment including wetsuits, harnesses and helmets.

If you are bringing your own kit but need a smaller or bigger kite then you can rent from us, (subject to availability) on a daily rate of £30.
